

ASPERA National Day Croatia

Opatija, May 27th 2010

The National Foundation for Science, Nazorova 2, HR-51410 Opatija

Preliminary Agenda

Time	Activity	People
12,30 – 13,30	Registration and refreshment reception	
13,30 – 13,40	Welcome note	Pero Lucin President of the Board, NZZ
	Agenda and introduction of participants	Tihomir Surić / Dijana Dominis Prester
13,40 – 14,00	ASPERA – project, consortium and the purpose of National Day	Thomas Berghöfer ASPERA-2 Coordinator
14,00 – 14,30	European initiatives in Astroparticle Physics	Stavros Katsanevas Deputy Coordinator, ASPERA
14,30 – 14,45	National Foundation for Science (NZZ) – funding instruments and opportunities	Lovorka Barać Lauc Executive Director, NZZ
14,45 – 15,00	Ministry of science, education and sports (MZOS) – funding instruments and opportunities	Hrvoje Mestrić Director of the Directorate for Science, MZOS
15,00 – 15,15	Unity through knowledge fund (UKF) – funding instruments and opportunities	Mile Dzelalija President of the Steering Committee, UKF - tbc
15,15-15,30	The Foundation of the University of Rijeka – funding instruments and opportunities	Sanja Barić Director of the Foundation of UNIRI
15,30 – 16,00	Coffee break	All
16,00 - 16,10	Importance of Astroparticle Physics and collaboration with Croatian groups (MAGIC)	Alessandro De Angelis, Massimo Persic (UNIUD, IT)
16,10 - 16,20	Importance of Astroparticle Physics and collaboration with Croatian groups (AUGER)	Samo Stanić (UNING, SL)
16,20 - 16,35	Ruder Bosković Institute (RBI) – Astroparticle Physics at RBI	Danica Ramljak the Head, RBI
16,35 – 16,50	Astroparticle Physics at DEP, RBI and Croatian collaboration in AUGER and plans with LOFAR	Tome Antičić, Head of the Department of Experimental Physics, RBI
16,50 – 17,00	University of Rijeka - Department of physics – Activities in Astroparticle Physics	Dubravka Kotnik – Karuza, Head of the Department of Physics, UNIRI
17,00 – 17,15	Astroparticle Physics at UNIST and Croatian collaboration in MAGIC and CTA	Nikola Godinović (UNIST)
17,15 – 17,25	Croatian collaboration in CAST	Biljana Lakić (RBI)
17,25– 17,35	Croatian collaboration in CMS-CERN	Ivica Puljak (UNIST)
17,35 – 17,45	Astroparticle Physics Theory in Croatia	Dalibor Kekez (RBI) / Dubravko Klabučar (UNIZG)
17,45 – 18,15	Discussion	Moderator: Tihomir Surić, ASPERA representative of NZZ
19,30	Official Dinner of the Meeting	Restaurant – Sveti Jakov, Opatija
